

# ATTEST

Attest is a water soluble liquid deodorant which has a broad range of uses. It may be used in conjunction with your cleaning solution or as an after spray. Contains aromatic and aliphatic compounds that combine with malodors and transforms them into a pleasant residual fragrance. Eliminates all offensive odors in carpet such as pet odors, mildew, skunk, smoke and replaces them with a pleasant fragrance. A product you can use with confidence.

**Directions:**

For carpet cleaning, add 1-2 ounces to 10 gallons of cleaning solution. For spraying, add 1-2 ounces per gallon water. For mildew, add 2-4 ounces per gallon of water for spraying solution.

**HAZARD WARNING:** Flammable: Eye and skin irritant.

**PRECAUTIONS:** Keep away from heat. Keep good ventilation. Wear skin and eye protection.

**FIRST AID:** Inhalation - Remove to fresh air. Get medical help. Contact - Flush with water.
