

CONQUEST

DESCRIPTION:

Conquest is DSC's ready-to-use formula for spot cleaning delicate fabrics when water based detergents and cleaners can't be used. With minimal odor, Conquest is the detergent of choice for use with professional dry cleaning equipment.

DIRECTIONS:

Do not dilute with water or blend with other products. Conquest is designed for undiluted use only. Only use product in machines and equipment meant for dry cleaning.

For spot-treatments: Apply a small amount of Conquest onto a rag and gently blot away stains.

For cleaning large areas of fabric: Fill dry cleaning device with appropriate amount of Conquest and adjust settings for the correct material. Test in an inconspicuous area before use.
