

# NOKIMDED

## DESCRIPTION:

Nokimded combines eucalyptus and tea tree oils to make our highest performance and longest lasting deodorizer. These oils are known for their powerful, all-natural odor elimination, leaving behind only a fresh, cool scent. Whether deodorizing mold, mildew, urine, feces, sewage, flood or fire odors, Nokimded has the punch to eliminate all odors safely and effectively. It can be used on stain-resistant carpets and contains no cationics, quats, aldehydes, alcohols, or phenols.

## DIRECTIONS:

For hard surfaces, laundry, or general spot treatment: Dilute 1:16 (8 oz. per gallon of water) and spray liberally in the area/ on the surface to be deodorized.

For carpet prespray, extraction tanks, and clean water restoration: Dilute 1:8 (16 oz. per gallon of water). Apply to the carpet, then wait at least 10 minutes before extraction.

For portable extractors: Dilute 1:100 (1 to 2 oz. per gallon).

Use directly from the bottle for spot treatment of stains such as urine, food, or fire damage. Test on inconspicuous area before use.

## PACKAGING OPTIONS:

- 4/1 gal.
- 5 gal.
