

PARTBEE

DESCRIPTION:

Partbee will remove the inherent "yellowing" stain caused by urine. It may be used to boost presprays and spotters. This product contains 8% Hydrogen Peroxide stabilized, and easy to use.

DIRECTIONS:

For Carpets or Fabrics: Apply directly to the stain and watch it disappear. Repeat of necessary.

For Boosting: Add 1-2 ounces per gallon or prespray. Combine 50/50 with Press-It to boost the dye stain removing power. Rinse thoroughly and dry quickly.

PACKAGING OPTIONS:

• 4/1 gal.

SPECIFICATIONS:

Appearance: Clear liquid

Odor: Characteristic

pH: 4

Freeze/Thaw: Will recover

Storage: Store in well-closed containers. Keep out of direct sunlight.
