

STEAM PLUS II

DESCRIPTION:

Steam Plus II is DSC's premium, low foaming carpet detergent designed for use in portables and truckmounts. Formulated with high-performance surfactants and detergent boosters, Steam Plus II is capable of handling a wide variety of soils and stains in most carpets, while reducing usage in comparison to Steam Plus. Steam Plus II is combined with even more water softeners and corrosion inhibitors, allowing it to easily remove dirt without depositing unsightly hard water rings or discoloration of the fibers. Brighteners and a lemon fragrance leave behind a lasting impression for customers of a bright and clean room.

DIRECTIONS:

Dilute 1:128 (1 oz. per gallon) for general purpose room cleaning. Dilute 1:64 (2 oz. per gallon) where soil is heavy. While hot water is preferred, Steam Plus II will dissolve instantly in cold water too.

Use Sure-Pass or one of our other spotters to pretreat heavy soils or stains on carpet.

PACKAGING OPTIONS:

- 4/1 gal.

SPECIFICATIONS:

Appearance: Light, tan liquid

Odor: Lemon

pH: 9

Storage: Store at room temperature away from direct sunlight or heat.

Freeze/Thaw: Will recover from freezing with no loss of efficiency.
