

STEAM PLUS

DESCRIPTION:

Steam Plus is DSC's general purpose, low foaming carpet detergent designed for the use in portable machines. Made with biodegradable surfactants and detergent boosters, Steam Plus is capable of handling a wide variety of soils and stains found in most carpets. Combined with water softeners and corrosion inhibitors, Steam Plus removes the dirt without depositing unsightly hard water rings or discoloration of the fibers. Brighteners and a lemon fragrance leave behind a lasting impression for customers of a bright and clean room.

DIRECTIONS:

Dilute 1:128 (1 oz. per gallon) for general purpose room cleaning. Use 1:64 (2 oz. per gallon) in portable equipment or if soil is heavy. Can be used in hot or cold water.

Use Sure-Pass or one of our other spotters to pretreat heavy soils or stains on carpet.
